Tishrei

Tishrei is the first month of the Jewish year. It is a month full of celebration. Beginning with the High Holidays, we celebrate Rosh Hashanah, Yom Kippur, Sukkot and Simchat Torah. Each of these holidays is filled with meaningful customs and traditions.

Throughout this month, there are plenty of opportunities to connect, to be inspired and become more fulfilled and in tune with our true inner selves. Tishrei is considered the "head" of the year and the source from which we draw our strength and inspiration throughout the upcoming year.

President's Message

We are now just about through with our busy season of what we call the "High Holidays" of Rosh Hashanah, Yom Kippur, Sukkot, Shemini Atzeret, and Simchat Torah. If you haven't been to one of our Simchat Torah events, you're missing one of the most joyous times of the year. Marching around with the Torah and singing together as a group is a wonderful experience.

I also hope you'll come to the memorial service at our beautifully kept cemetery and see our restored chapel, where we will have our service rain or shine.

When all of these activities slow down a bit, we will return to planning for the future of our small but mighty congregation.

Shana Tovah

Heart of a Stranger: An Unlikely Rabbi's Story of Faith, Identity, and Belonging by Angela Buchdahl

From the first Asian American to be ordained as a rabbi, a stirring account of one woman's journey from feeling like an outsider to becoming one of the most admired religious leaders in the world

Angela Buchdahl was born in Seoul, the daughter of a Korean Buddhist mother and Jewish American father. Profoundly spiritual from a young age, by sixteen she felt the first stirrings to become a rabbi. Despite the naysayers and periods of self-doubt—Would a mixed-race woman ever be seen as authentically Jewish or chosen to lead a congregation?—she stayed the course, which took her first to Yale, then to rabbinical school, and finally to the pulpit of one of the largest, most influential congregations in the world.

Today, Angela Buchdahl inspires Jews and non-Jews alike with her invigorating, joyful approach to worship and her belief in the power of faith, gratitude, and responsibility for one another, regardless of religion. She does not shy away from difficult topics, from racism within the Jewish community and the sexism she confronted when she aspired to the top job to rising antisemitism today. Buchdahl teaches how these challenges, which can make one feel like a stranger, can ultimately be the source of our greatest empathy and strength.

Angela Buchdahl has gone from outsider to officiant, from feeling estranged to feeling embraced—and she's emerged with a deep conviction that we are all bound to a larger whole and mission. She has written a book that is both memoir and spiritual guide for everyday living, which is exactly what so many of us crave right now.
